City Manager Report

December 8, 2025

Status of Sanitary Sewer Maintenance Work

This week I met with City Engineer Hubbell, Roth and Clark (HRC) to review the list of the sanitary sewer pipes recommended for rehabilitation. Before presenting a resolution to City Council to fund the rehabilitation work, the engineer will cross-reference the pipes in question with HRC's inventory of pipes considered to be shared usage with Independence Township.

Status of Master Plan Update

The City's Master Plan last published in 2019 and is overdue for an update. A cost estimate from City Planner Carlisle Wortman Associates (CWA) exceeded the budgeted allowances, even if spread over two fiscal years, so the Planning Commission is exploring ways in which some of the work can be done in-house, including updates to the demographic data, portions of the text, and the required Public Engagement session. The more strategic updates would be left to CWA. The City is also obtaining a quote from McKenna.

Status of the Building Services Request for Quote

While I am extremely satisfied with the Building Services work being performed by the Independence Township Building Department, I continue to seek out, as requested by Council, qualified individuals that may be able to perform the service for less. After working with the administrators of BidNet (a Michigan contractors' network) and the Michigan Municipal League to refine our online Request for Quote, we have received a few responses, but so far all of the applicants are unqualified or over-priced. I am also working with the Village of Ortonville to better understand their Building Services solution.

Optimist's Winterfest Event

The Clarkston Area Optimist's Club is once again planning on holding their annual Winterfest event in Depot Park on Saturday, February 6th. This year, due to the cost of the ice rink liner, I have asked the club to split the cost, which they agreed to do. Still to be determined is the source for the water for the ice rink.

Respectfully submitted, **Jonathan Smith, City Manager, December 4, 2025**

Questions Regarding the Status of Clarkston's Mill Pond Dam Project

Jonathan-I am requesting an update to City Council on Oakland County's responsibility assumption for Upper and Lower Mill Ponds:

What has been the chronology of discussions with council and Oakland County?

When did the last update to council occur?

When was the surveying activity concluded?

When did Oakland County conclude their study and provide conclusions to the City?

What exactly is included in Oakland County's assumption of responsibility?

What physical changes will need to occur before Oakland County assumes responsibility?

Who is currently managing the pond levels and who will in the future?

How will the pond levels be managed?

Who will have responsibility for any subsequent damages?

What costs will be incurred in transitioning to Oakland County responsibility?

Who will pay for what costs?

How much will be the City's on-going costs? Who will pay these costs?

Who will own the dam in the future?

Does ownership of pond-adjacent properties change?

What is likely timing?

**Best regards,
Chet**

Resolution - Congressionally Directed Spending Grant Application

WHEREAS, in May of 2025 the City of the Village of Clarkston partnered with engineering firm Fleis & Vandenbrink to apply for - and ultimately be approved for - a Category B road funding grant through the Michigan Department of Transportation, and;

WHEREAS, Fleis and Vandenbrink is again proposing that we partner to apply for Congressionally Directed Spending (CDS) grants through Senator Elissa Slotkin's office and Representative Lisa McClain's office, and;

WHEREAS, the focus of the grant applications will be replacement of non-compliant sidewalks and driveways in the City's downtown district, similar to our 2024 CDS grant application, and;

WHEREAS, Fleis & Vandenbrink (F&V) will guide and assist the City in the CDS grant application process at no cost to the City provided that F&V will be utilized for the construction engineering work should the City be awarded the grant, and;

WHEREAS, F&V personnel will be present in the December 8, 2025 Council meeting to provide more details on the application process and answer any questions Council may have, and;

NOW, THEREFORE, BE IT RESOLVED that the City of the Village of Clarkston hereby authorizes the City Manager to partner with F&V to prepare the two CDS grant applications. The applications will include provisions for F&V's engineerings fees should the grant be approved.

Motion - May 9, 2026 Angels' Place Race

The Angels' Place charity, which provides housing, professional support and other services for adults with developmental disabilities, will be holding its 2026 walk/run fund raiser in Clarkston on Saturday, May 9, 2026 from 9:00 to 11:45 AM.

The race will begin and end at St. Dan's Church. While the runners and walkers will generally stay on the edge of the roadways or on safety paths, it will be necessary to close southbound M-15 (Main Street) from 9:15 to 10:00 AM on May 9th to accommodate the participants with the assistance of the Oakland County Sheriff.

The City staff will obtain the required MDOT permits to temporarily close Main Street for this event. An insurance certificate naming the City as an additionally insured party has been provided by the race organizers.

Motioned by _____, supported by _____ to approve the plans for the May 9, 2026 Angels' Place Race through the Village of Clarkston.
